**Request for Certificate of Correction Under 37 CFR 1.323**

Applicants have discovered typographical errors in the Description and the issued claims of the above-identified patent. Patent 6,877,194 issued with the term "side wails" at col. 3, line 40. However, the original description refers to "side walls". In addition, Claims 22 and 36 are proposed to be corrected as set forth in the attached Certificate of Correction. Applicants inadvertently used the word "the" in the first line of Claim 22, instead of "a". In preparing Claim 36, Applicants copied a prior claim (claim 29) and changed the numbers, but unintentionally omitted replacing the term "clip" with "method" to make the preamble of claim 36 consistent with the preamble of claim 31. All of these errors occurred in good faith and without deceptive intent. Applicants have set forth the corrections to be made in the attached Form PTO/SB/44. The Patent Office is authorized to charge the Fee for this request from Deposit Account 50-1991.

Respectfully submitted,

*Isabelle R. McAndrews*
